DÉVELOPPEUR FRONTEND & API

Passionate and curious front-end developer, I have built my career around creating intuitive and high-performance digital experiences. My journey is driven by a constant desire to learn, innovate, and turn ideas into tangible solutions. 🌞

EXPERIENCES

Frontend Developer • INSIGN

01/2022 - 01/2025

Tournon-sur-Rhône, 07300

Explorer - Les 3 Vallées

Creation of Explorer, a fun user experience around skiing using Leaflet. <https://urlz.fr/qK4D>

L'Atelier Parfum

Creation of an AI/user Emotion Experience based on facial recognition, developed in Nuxt.js.

<https://urlz.fr/ogu5>

Bjorg to be alive

Development, as lead front developer, of a complete digital platform to support an activation campaign.

Developed in Nuxt.js, integration of Matomo Analytics. <https://urlz.fr/sODk>

Interflora

Multi-country migration (italy, spain, portugal) after interflora.fr multi-device pilot site's redesign, partially as lead developer. Interflora was voted best online e-commerce site! <https://urlz.fr/mKfw>
